

Volunteers Are Crucial To BASC!

We want to ensure your child plays on a team this season! BASC is a volunteer based club that requires parents to coach teams, manage teams and serve executive board positions. In the instance that a team does not have a parent step forward to coach, the team will not be able to form and all players on that team will receive a refund.

What volunteer role will you take for your child's team?

Coach – Every team must have a parent volunteer to be the primary coach. No experience necessary, we train our coaches at no cost to you. Coaches also pick their own practice days & times. 2 coach meetings per year. To sign up as coach, go to www.bascok.com and go to the “Coach” tab at the top of the website, then go to Coach and Manager Registration.

Assistant Coach - No experience necessary, we train our coaches at no cost to you. 2 coach meetings per year. To sign up as an assistant coach, go to www.bascok.com and go to the “Coach” tab at the top of the website, then go to Coach and Manager Registration.

Manager – Managers assist the coach with setting up snack schedules, team pictures, notification calls or emails to parents. To sign up as manager, go to www.bascok.com and go to the “Coach” tab at the top of the website, then go to Coach and Manager Registration.

ALL adults (18yrs and older) who have contact with BASC players during practice, games or other team activities must register with BASC and pass a background check annually. This includes parents helping out at practice and/or games.
