### **From BASC Area Referee-Mike Witten**

Another season on the pitch has begun! Welcome to all returning and new referees. We all are looking forward to a great season and certainly wish a season of safety and sportsmanship to all coaches, players, officials and spectators. I want to remind all referees:

1. You represent not only yourself but BASC on and off the pitch. Remember to conduct ourselves with the highest integrity and professionalism at all times.
2. Appearance is the first impression we make at the soccer complex. Let's officiate with clean uniforms, 3-stripe or 2-stripe socks (crew matches), shirts tucked in.
3. Only wear ref jerseys to referee matches. We do not play, watch or coach in our jersey.
4. Finally let's remember to start our assigned matches on time. The players, coaches and spectators deserve the respect given by a prompt referee who starts on time.

We work for the best club at the best complex. Let's be the best referee crew there is!
